

# Renovators

YOUR BUILDING RECYCLERS

## WELCOME TO OUR HUGE RANGE OF *French Doors* CHECK OUT THESE FEATURES

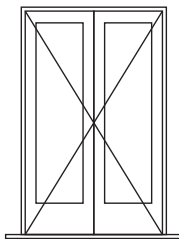

- Cedar doors/sashes are paint quality in H3 finger-jointed pine frame.
- Stain quality is colour matched to Cedar door/sashes in heart Rimu frame, price on application.
- French doors that have opening windows use friction stays.
- Stainless Steel Hinges, unless requested otherwise.
- Doors and sashes are **dipped in a water repellent** for greater protection unless otherwise requested if staining.
- Special sizes can be made to order.
- **Note** Side lights on 1840's can be either side.
- Doors are sold for sheltered exterior use and are rebated.
- Prices include GST and glazing and are subject to change.
- A hardware fitting service is available from a wide range of product.
- Sizes shown are overall frame sizes, not the opening size (packers and wedges need to be allowed for).
- Standard doors are 1980 high (this does not include the frame).
- Frames do not come with facings or architraves and the jamb size is 140mm
- All doors are 610mm wide, except the 1570mm wide frames which are 760mm.
- Delivery is extra and is available, either local or out of town
- Left hand door (looking from outside) opens first, right hand to order.
- All glazing is putty glazed, 5mm clear, unless otherwise noted.
- Prices are recommended retail and strictly payment on delivery or completion ex workshop.
